

# ***Navy Seeks Reservists for Permanent Duty***

The Navy is expanding its security forces, and recalled Reservists now have the opportunity to permanently join their active-duty counterparts once their recall orders are finished.

Reservists who are rated MAs or hold the NEC 9545 (Law Enforcement Specialist) and have been recalled to active duty may apply to permanently join the active-duty force.

The primary need is for personnel in pay grades E-4 through E-6 with 14 years or less of active service.

Several minimal requirements must be met, including:

- Able to transfer to the Fleet Reserve prior to 55th birthday.
- Meet physical readiness standards.
- Maintained proficiency in their rating through satisfactory participation as a member of a drilling Reserve unit.
- Must be a U.S. citizen.
- Possess a valid state driver's license.
- Normal color perception and vision correctable to 20/20.
- No NJPs or convictions in civilian or military courts in the two years preceding application.

Requests should be routed via the appropriate Reserve chain of command to the General Assignment Recall (Enlisted) Coordinator, Pers-811H. A sample application and guidance for submission is contained in Chapter 19 of the Enlisted Transfer Manual.
