Navy COOL Web Site Launches as Hub for Sailor Credentialing Information

Navy COOL was launched as a hub for comprehensive information to guide Sailors in pursuing occupational credentials related to their Navy work experience and training.

Navy COOL catalogs detailed information on occupational credentials, including certifications, qualifications, licenses, apprenticeships and growth opportunities that correspond with every Navy rating, job and occupation, and outlines the paths to achieve them.

Navy COOL hosts links to credentialing organizations and cross-references programs, such as Tuition Assistance, Montgomery GI Bill, and the Defense Activity for Non-Traditional Education Support (DANTES), that may help Sailors pay for credentialing fees. It also contains links to the United Services Military Apprenticeship Program (USMAP) and Web sites that provide information on college programs available to Sailors.

For Sailors with limited Internet access, such as those stationed on ships or at remote locations, a portable copy of Navy COOL has been developed.

Visit Navy COOL at <https://www.cool.navy.mil>. For more information, refer to NAVADMIN 193/06 or contact the Navy Credentials Program Office via email at crry_cqcredentials@navy.mil.
