Hispanic Engineer Awards Seeks Navy Nominations

The Society of Hispanic Professional Engineers (SHPE) is accepting nominations for the 2007 Technical Achievement Recognition (STAR) Awards through Sept. 30.

SHPE is a leading social-technical organization whose primary function is to enhance and achieve the potential of Hispanics in engineering, math and science. Categories include The Hispanic in Technology Award, Professional Role Model Award and the Promising Engineer Award.

A full list of award categories, nomination guidelines and the award nomination form are available at <http://oneshpe.shpe.org/wps/portal/ntcc>.
