

Navy Recruiting Needs Volunteers for Seminar Duty

Navy Recruiting Command is looking for motivated officers and enlisted personnel who would like to participate in the Senior Minority Assistance to Recruiting Program (SEMINAR).

SEMINAR allows minority Navy personnel the opportunity to return to their own communities to recruit young men and women. Available to E-6 and above of African-American, Hispanic and Asian-Pacific Islander descent, in most cases the program provides participants with per diem and travel allowance for the 20-day assignment.

SEMINAR has increased Navy awareness in minority communities and provided positive role models to young people, while serving as another source of leads for local recruiters.

Recruiters can benefit greatly from SEMINAR participants. SEMINAR duty can only be performed in conjunction with permanent change of station (PCS) orders.

Requests must be submitted in accordance with the timelines set forth in BUPERS INST 1150.1A. Sailors who participate in SEMINAR are required to submit pre-qualification questionnaires to the Navy's recruiting diversity programs office, and they forward the information to the recruiting district where the "adjunct recruiter" plans to work.

Individuals interested in the SEMINAR program should submit their requests to Navy Recruiting Command (Code N111), 5722 Integrity Dr., Bldg. 784, Millington, TN 38054.

For more information on SEMINAR, contact the NRC recruiting assistance coordinator at DSN 882-9141/9139, or (901) 874-9141/9139.

Additional information is also available in BUPERS INST 1150.1A.
