Campaign Stars for Afghanistan and Iraq Campaign Medals

The Navy established campaign stars for the Afghanistan and Iraq campaign medals.

These campaign stars are awarded to recognize a service member's participation in specific campaign phases.

The five-pointed bronze stars will be worn by service members who participated in campaign phases that qualify them for the Afghanistan Campaign Medal and/or the Iraq Campaign Medal. Additional stars will be worn for those that participate in multiple campaign phases.

For more information, including designated campaign phases and inclusive dates, see NAVADMIN 252/08.
