## SECDEF Establishes Overseas Citizens Voters Week

The Secretary of Defense has designated June 28 through July 7, as Overseas Citizens Voters Week. All local and installation voting assistance officers are encouraged to hold active promotions to encourage Sailors and their families to take part in the election process by registering to vote.

Suggested activities include, but are not limited to: Holding registration drives during Fourth of July celebrations, advertising in local military media, setting up awareness and registration booths in common areas, holding unit training and plan of the day or week notices.

Region voting assistance officers are encouraged to provide assistance and encouragement to subordinate units as needed in addition to conducting promotions within their unit.

Commander, Navy Installations Command (CNIC) Voting Assistance Program stands ready to assist voting assistance officers at all levels obtained by contacting the Navy Voting Action Officer, toll free at 1-886-827-5672.
