

CNO's Logbook

Building on a 200-Year Legacy

Publication: Naval History Magazine

Date: June 2012

Description: Adm. Greenert discusses how the lessons learned from the War of 1812 remain the basis for U.S. Navy operations in the 21st Century.

Sailing Into the 21st Century: Operating Forward, Strengthening Partnerships

Publication: Joint Force Quarterly

Date: April 2012

Description: Adm. Greenert discusses how he applies his key tenets toward the Navy's overall maritime strategy and breaks down the current status of the fleet, how history shaped the new strategy and challenges and opportunities he foresees for the Navy going into the future.

The CNO: At the Forefront of the New Defense Strategy

Publication: Seapower Magazine

Date: April 2012

Description: Adm. Greenert discusses the new defense strategy budget, the future fleet, the new deputy CNO and flag officer reductions.

CNO's Navigation Plan

Publication: CNO's Leadership Website

Date: April 2012

Description: Adm. Greenert's Navigation Plan draws on his Sailing Directions and provides further amplifying information for commands to help carry out the new defense strategic guidance.

CNO's Posture Statement FY 2013

Publication: Congressional Testimony

Date: March 2012

Description: Adm. Greenert weighs-in on the Department of the Navy's official posture statement before the Congress on the fiscal year 2013 DoD budget submission.

Air-Sea Battle: Promoting Stability in an Era of Uncertainty

Publication: The American Interest

Date: February 20, 2012

Description: Adm. Greenert and Gen. Norton Schwartz discuss how the new defense strategy incorporates Air Force and Navy personnel and resources to deter and combat emerging threats.

Navy 2025: Forward Warfighters

Publication: Proceedings Magazine

Date: December 2011

Description: Adm. Greenert discusses the Navy and its evolution over the next 10 to 15 years with a focus on partnerships, places, power and payloads.

CNO's Sailing Directions

Publication: CNO's Leadership Website

Date: September 2011

Description: Adm. Greenert's Sailing Directions lay out a course for the fleet describing the Navy's mission, his vision for the Navy's future, his three tenets and guiding principles for executing the maritime strategy.
