Step 2: In the "Status" window, click on the magnifying glass and then a window will pop up. Scroll down until you see "Approved". Click on "Approved" and then click on the "Select" button below.

The screenshot shows the Fleet RIDE application interface. A dialog box titled "Fleet RIDE - Select Status -- Webpage Dialog" is open, displaying a "Select Status" window. The "STATUS:" dropdown menu is open, showing a list of status options. The "Approved" option is highlighted. A callout box points to the "Approved" option with the text "Click this option to start 'Step 2'." The background shows a table with columns for "PRD", "Processing", "Looks Rem", and "Looks Rev".
