

Greetings Shipmates!

Latest Updates

When was the last time you read our Navy Ethos? If it has been awhile, I encourage you to revisit it and start employing it in your daily life. Just like our Sailor's Creed, it establishes who we are as Sailors, Leaders and Patriots. Here it is, and as we read it I hope it moves from our heads and into our hearts.

UNITED STATES NAVY ETHOS

- We are the United States Navy, our Nation's sea power ready guardians of peace, victorious in war.
- We are professional Sailors and Civilians - a diverse and agile force exemplifying the highest standards of service to our Nation, at home and abroad, at sea and ashore.
- Integrity is the foundation of our conduct; respect for others is fundamental to our character; decisive leadership is crucial to our success.
- We are a team, disciplined and well-prepared, committed to mission accomplishment. We do not waver in our dedication and accountability to our Shipmates and families.
- We are patriots, forged by the Navy's core values of Honor, Courage and Commitment. In times of war and peace, our actions reflect our proud heritage and tradition.
- We defend our Nation and prevail in the face of adversity with strength, determination, and dignity.
- We are the United States Navy.

Career Counseling Note:

Fleet Ride for SELRES will be rolling out in April, 2012. To help your unit counselors get prepared, have them start submitting their SAAR's for access to Fleet Ride SELRES. The link to SAAR is below. It is the form for addendums, so please don't be confused by this. We are using this form to try and keep it as simple as possible.

In the command block, block 7, have them put "(SELRES)" after command so the Fleet Ride desk will know that this is a Reserve application. They will be holding all of them and establishing accounts once we get the green light.

For the FTS counselors at NOSC's: Fill out the addendum as stated above and add all the UIC's you will need access to (all the units under their NOSC). The form will allow 5 UIC's and all additional UIC's can be added by putting them in an excel document and attaching in the email.
