

Greetings Shipmates!

Congratulations to selectees from the Navy Reserve Chief Petty Officer Selection Board. Strong competition among qualified professionals is one of the strengths of our Navy. Non-selection does not mean poor performance. It is simply a relative judgment of standing amongst peers against a finite advancement quota. For those that weren't on the list this year, let's reengage in CPO 365 Phase I next month and I look forward to seeing you on the list next year.
